Mission Statement

Summit Academy provides a nurturing educational environment  
for students with learning differences  
in which each student's academic achievement  
comes to reflect his or her learning potential.

Dear Friends of Summit:

As I reflect on the past year at Summit Academy, one word comes to mind - growth. I'm so encouraged by the steady increase in our student population - the second year in a row of record enrollment! I am also thrilled that our development efforts have allowed us to make a Summit Academy education available to more families.

In response to this growth, several changes took place over the summer. Dr. Mitch Elswick is now serving as Associate Head of School and Upper School Head, with Barbara Waldrop serving as the Admissions Director and Lower School Head. To free room for more classrooms, we redesigned the auditorium for more offices. The rapid growth also prompted the formation of a Strategic Long Range Planning Committee, whose goal is to determine what Summit Academy will look like in the year 2016.

I am proud to say that despite this rapid growth, the quality of a Summit Academy education continues to improve. With the help of the *WHAS Crusade for Children* and *Ronald McDonald House Charities of Kentuckiana*, we were able to provide each of our middle school students with their own computer work station and also to purchase a Video Montage program which will provide thousands of educational programs at the touch of a button.

Membership on the Board of Trustees is growing and changing, as well. We would like to thank Joanne Boyle, long-time board member and former Board President, for her dedication and service to Summit Academy. As we say goodbye to Joanne, we welcome new board members: Bob White, Jennifer Dwyer, Hope Boyd, and also Johnna Cristofoli, who will serve as president of our PTO. Thank you all for your willingness to serve this wonderful organization

Finally, as Summit has changed, so has my life, and I have stepped down as President of the Board. I am happy to say that David Strite has been elected as the new President and will serve with integrity and dedication.

The 2006-2007 school year at Summit Academy once again holds great promise for our students. I wish each of you and your families the very best.

Leslie F. Westberry  
President - Board of Trustees
