

Help your student **SOAR** with remote learning.

## **S** Set-up

- Is your technology properly charged?
- Are headphones ready to go, if using them?
- Is the work-space free from unnecessary background noise? (running home appliances, conversations, etc)

## **O** Organization

- Does your student have all materials/books needed for their particular class?
- Does your student have paper and writing utensils ready to go?

## **A** Attentiveness

- Is your student's work space free of distractions such as other devices, toys, pets, etc
- Is your student dressed for success?

## **R** Responsibility

- Have you discussed the Google Meets Rules/Etiquette with your student?
