

# Intermediate - Week 7

---

Assignment: Chocolate chip cookies!

## Description

Students will explore the use of space, shape, and color by creatively illustrating chocolate chip cookies. They will layer colors using colored pencils to make a vibrant portrayal of chocolate chip cookies on a patterned background.

## Materials:

9 x 12" white drawing paper  
Brown construction paper  
Scissors  
School glue  
Colored pencils

## Instructions

1. [Click here](#) to hear the story **If You Give a Mouse a Cookie**
2. **Color with Yellow-** Color cookies on the cookie handout with a layer of yellow. [Click here for cookie template >>](#)
3. **Layer Colors-** Color over the yellow layer with a layer of orange. Color over the orange layer with a layer of brown.
4. **Add Splashes of Color-** Add more layers and splashes of color to the cookies using a variety of other colors.
5. **Cut Out the Cookies**

6. **Add Chocolate Chips-** Cut chocolate chip shapes out of brown construction paper. Glue 2-3 chocolate chips to each cookie.
7. **Create Background-** Create a pattern that covers the page on a blank sheet of white paper.
8. **Stack the Cookies-** Glue chocolate chip cookies onto the white patterned paper. Glue the cookies to make them look like they are stacked with one or two cookies leaning against the stack.
