

Summit Academy's 18th Annual Mountaintop Breakfast Thursday, October 21, 2021

The Mountaintop Breakfast is a powerful and moving event where students and families share their stories with the community. The event raises awareness about Summit and the impact we have on students with learning differences. Each year the event sees over 200 people in attendance who help support tuition assistance programs, classroom essentials, dedicated teachers, speech and occupational therapy, along with many of the other amazing programs that make Summit Academy the gold-standard for education in the community.

Summit Academy (Tax ID # 61-1214457) has been educating students with learning differences since it was incorporated as an independent, non-profit school in 1992. Our mission is to provide a transformative educational experience for students who learn differently by cultivating each student's academic, social and emotional success in a vibrant and compassionate environment.
