- Learn how to advocate for themselves by having an active role in school and work communication whenever possible and appropriate.
- Follow a unique developmental path, for which appropriate social activities are necessary.
- Require a high school curriculum that smoothly transitions them into adulthood.

HIGH SCHOOL EXPECTATIONS

As per the Summit Student Code of Conduct, all students attending Summit are expected to:

- Show respect for others at all times, including the property, space and feelings of others.
- Be prepared. Arrive on time with necessary books, supplies and homework.

HIGH SCHOOL DRESS CODE

Just as adults dress appropriately for work, proper attire for students is more conducive to a positive educational experience. Summit Academy's dress code is designed to do the following:

- Teach students the value of dressing appropriately for different occasions
- Help students develop a sense of pride in their appearance
- Enable students to participate in all activities that they may encounter throughout the day
- Reduce distractions in the classroom for all students

Changes may occur throughout the school year as fashion changes. This will be at the discretion of the Head of School and Principal. It will be the decision of the teacher as to whether or not a student may return to class prior to a dress code violation being corrected.
