Meet the PTO Coordinators

Erica: I live in Louisville with my husband Eric and our 3 kids. Cassius (11) is in 6th grade at Summit, Kalena (4.5) & Greer (3) are in preschool at JCC. I haven't slept since 2016! I love being part of the PTO because it provides the opportunity to help our Summit parents, teachers, and most importantly, our Summit kids!

Priscilla: Mom to Summit student Zach (6th grade), Ben & Emily, and wife to Steve. The PTO allows me to give back to the teachers and staff that have supported and loved our Zach for 7 years, and to connect with other parents.

Sarah: My husband, Dan, and I have 2 kids: Aiden & Madison and 2 pups: Ivory & Hazzie. Madison has been at Summit since Kindergarten and is in 5th grade this year. Our pups love Summit as much as Madison and they are in carpool every day! I enjoy being on PTO so I can connect with Summit families and help better the school experience for our students, teachers and staff.

PTO Goals

- Increase Parent Participation
- Volunteer to Assist Teachers and Staff
- Strengthen School Community
